*Course highly recommended by Program Advisor.

**OST 235 is the recommended course. Other business courses will complete the degree; however, OST 235 will earn the student three additional credentials upon completion.

***If student has no formal keyboarding training in using the touch method of keying, OST 100 should be completed before enrolling in OST 110.

Progression in the Medical Information Technology program is contingent upon achievement of a grade of "C" or better in each course and maintenance of a 2.0 cumulative grade point average or better (on a 4.0 scale).
