[GENERAL EDUCATION REQUIREMENTS](#)

[RETURN TO TOP](#)

## General Education Requirements

Competencies will be met at the level appropriate to the credential.

A general education core curriculum will enable KCTCS colleges to graduate men and women who are intellectually flexible, articulate, reflective, creative, and prepared for continuous learning. For all students, this implies some understanding of the value of higher education and the world of work and career fields related to their own abilities, interests, and needs. The general education core competencies will enable students to develop their own values, pursue goals, and contribute to the political, moral, social, and cultural enrichment of society.

*Big Sandy Community & Technical College 2007-2008 Catalog*

66

General Education Competencies:

I. Communicate Effectively

1. Read and listen with comprehension.
2. Speak and write clearly using standard English.
3. Interact cooperatively with others using both verbal and non-verbal means.
4. Demonstrate information processing through basic computer skills.

II. Think Critically

1. Make connections in learning across the disciplines and draw logical conclusions.
2. Demonstrate problem solving through interpreting, analyzing, summarizing, and/or integrating a variety of materials.
3. Use mathematics to organize, analyze, and synthesize data to solve a problem.

III. Learn Independently

1. Use appropriate search strategies and resources to find, evaluate, and use information.
2. Make choices based upon awareness of ethics and differing perspectives/ideas.
3. Apply learning in academic, personal, and public situations.
4. Think creatively to develop new ideas, processes, or products.

IV. Examine Relationships in Diverse and Complex Environments

1. Recognize the relationship of the individual to human heritage and culture.
2. Demonstrate an awareness of the relationship of the individual to the biological and physical environment.
3. Develop an awareness of self as an individual member of a multicultural global community.

 Any Computer Literacy course approved for the AA or AS  
 AA, AS  
 CIS 100 Introduction to Computers ..... 3  
 OST 105 Introduction to Information Systems ..... 3

KCTCS has adopted current IC3 objectives to define computer literacy. The course description or descriptions, competencies and outline of computer literacy courses must include IC3 objectives.

All AA, AS, AAS and diploma students entering KCTCS must demonstrate computer literacy by:

1. Scoring a passing score on the IC3 Computer Exam\*, or
2. Providing documentation of successful completion of certification exams as approved by KCTCS, or
3. Articulating credit from another institution, or
4. Receiving credit for an approved KCTCS computer literacy course.

Note: Students may receive 3 credit hours for CIS 100 by successful completion of the IC3 Computer Exam\* and one of the following: the IC3 Database Exam\*, a one credit hour database course, or the MOS Access exam.

Students may choose to take the IC3 Computer Exam\* to demonstrate computer competency. Students who score a passing score on the exam will have met the requirements of computer literacy and documentation will be placed on the student's transcript. \*Implementation fall 2007.

### **Cultural Studies Courses**

Cultural Studies is defined as a course in which the major thrust is the study of one or more non-traditional and/or underrepresented cultures that are traditionally excluded from or marginalized in mainstream American curriculum. Cultural studies courses demonstrate a cultural emphasis in their course descriptions.

*Social Interaction:*
