

**Program:** Dental Assisting

**Year:** 2009 **Semester:** Fall

**ADVISING NOTES:**

Students should be advised to take the National ACT exam if they've not yet taken it or if they have a composite score less than 18.

Students should concentrate on completing the general education requirements; particularly BIO 130 or BIO 135 or BIO 137 and BIO 139.

This is a selective admission program with an application portfolio deadline of March 1 of each year. Students may request an application packet from the program's Division Assistant, Prestonsburg Campus, Johnson Building., Room 113, ext. 67352.

A pre-admissions conference and/or meeting with the coordinator or the coordinator's designee is required prior to an applicant's consideration by the Dental Assisting/Dental Hygiene Admissions Committee.

**Program Courses Available: (Must enroll)**

**PS #      Course #      Course Name      Location**

May not take any program courses until accepted into the program.
